

SAFER NEIGHBOURHOOD TEAM MONTHLY NEWSLETTER

June 2022

HORNSEY | CROUCH END | HIGHGATE | STROUD GREEN

Dear Residents...

Please see this month's instalments of our monthly newsletters.

This newsletter covers the areas of Hornsey, Crouch End, Highgate and Stroud Green.

We hope that this newsletter is of use to you. We intend to begin distributing this newsletter not just to our Neighbourhood Watch Coordinators, but also victims of crime in the future. Please let us know if you think that this is a good idea!

Important Updates:

Following a review by the Local Government Boundary Commission for England (LGBCE) changes to local authority ward boundaries which came into effect earlier this month have created 46 new wards, affecting 25 of London's 32 boroughs.

This has a number of implications for the Met, in particular our Neighbourhoods Teams.

We are working at pace to respond to these changes and ensure every new, existing or changed London ward has their own neighbourhood policing team. In the interim, every ward will still be policed with a local team who will continue to prioritise local issues, providing a neighbourhood policing service.
